

Bursary Application Form

Criteria for Application:

The applicant must either be:

- an individual from low and lower-middle income economies as specified by the World Bank using their measure of Gross National Income (GNI) <http://data.worldbank.org/about/country-classifications/country-and-lending-groups>, or
- a Postgraduate or Early Career Professional within first five years of career, excluding approved career breaks, from date of obtaining their first degree (non-graduates and undergraduates are not eligible).

Bursaries will be offered at two levels:

Level 1 – Registration, Accommodation and Travel costs will be covered

Level 2 – Registration costs only covered.

Conditions:

- Applicants must submit an oral presentation abstract for the congress.
- Applicants must commit to attendance on hearing if they have been accepted for a bursary.
- Proof of Postgraduate or Early Career Professional will be required. Please submit this with the application.
- Proof of residence will be required when submitting under the criteria for the low and lower-middle income economies.
- Payments:
 - a. will only be made upon submission of original receipts
 - b. will only be made if proof is provided of attendance at the conference
 - c. will be given to delegates on site at the conference from the registration desk. In exceptional circumstances we may pay travel costs in advance, where it would be impossible for attendance otherwise.
- All applications will be acknowledged. If you do not receive an acknowledgement you should assume your application has not been received. Applications should not exceed the stipulated word count for the requested statements on the application form
